A special meeting of the board was called to discuss the upcoming bottle and can drive fund-raiser. The bottle and can drive is scheduled for Saturday, November 2, 2007. However, since this has been scheduled, several conflicts have come up that will prevent the students from participating in the drive.

A new date was discussed and November 17 was decided to be the best date. The following tasks will be done over the next 2 days:

Task	Responsibility
Print new flyer with message about date change and phone numbers for anyone who still wants their bottles and cans picked up on 11/2.	Dennis Sitek
Contact Kroger's management about date change and possibility of some returnables being dropped off on 11/2	Mary Ann Sitek
Notify school of change in date	Pat Duffy
Make banner to cover signage on Bridge and Meridian	Mary Ann Sitek
Get new permit at township hall	Mary Ann Sitek
Put a notice in the Grosse Ile Camera about the date change	Mary Ann Sitek
Put a sign at Kroger's that the drive has been changed to 11/17	Pat Duffy
Contact Kroger management about leaving a small flatbed trailer behind the store with a sign in the event returnables are dropped off	Mary Ann Sitek
Pick up plastic bags and boxes for the cans	Pat Duffy

Next year, the board will look for a date earlier in the spring for this event.

Meeting was adjourned.

Next meeting: November 13, 2007 at 7:00 in the Middle School Auditoria.
