Old Business

Insurance

Dennis Sitek explained a communication he had with Judy Ventro at the GI Board of Education where she related that insurance coverage could be extended to our boats through the summer for the sum of \$118. Any damage would be subject to a \$250 deductible. A motion was made and seconded to authorize payment of the premium – the motion carried unanimously.

New Business

The new boat will be delivered 3/29 by Hudson as they are coming through town on another delivery. The naming committee has arrived at a name which will be unveiled at the boat's dedication during the Dinner Dance. Persons wanting to participate in decorations should report at 6:30 PM Friday 3/30.

Dinner Dance preparations are going well – ticket sales are comparable to prior years and sufficient materials have been received for the silent and live auctions.

A lack of new parents resulted in a shortened agenda for March's second meeting.

Treasurer's Report

Treasurer Dennis Sitek provided an overview of the club's current finances.
